Description:

1. **Team function:** Attacking / defending
2. **Meaning in the game:** To keep the ball in possession and score / to defend the goal and to win the ball back
3. The coach plays the ball to a player who is trying to dribble its opponent and score by dribbling the ball to one of the two goal lines under control. If the defender recovers the ball, he/she must try to score while the other player will work to prevent from scoring.
4. The coach may decide to play a second ball while the first one is still in play – to change to point of attack and give a player a chance to touch the ball – once a second ball is played, the first ball no longer counts. * Have a player remove the dead ball to prevent injury.
